

The Prosperity Mantra

Sit comfortably and meditate, chanting the mantra *Har Har Har Har Gobinday...* Different mudras are described as having different effects as follows:

When it is chanted on the communication line of Mercury (Buddhi Mudra: the tips of the pinkie fingers and thumbs touch), it is for friendship and prosperity.

When chanted on sun line (Surya Mudra: the tips of the ring fingers and thumbs touch), it is for health.

When it is chanted on the Saturn line (Shuni Mudra: the tips of the middle fingers and thumbs touch), it is for purity and piety.

When it is chanted on the Jupiter line (Gyan Mudra: the tips of the forefingers and thumbs touch), then hurdles disappear.
